Subject: Review of PMKVY (2016-20)-minutes reg.

This is with reference to the Minutes of the meeting held under the Chairmanship of Joint Secretary, MSDE on 28.07.2017 to discuss issues pertaining to PMKVY, MSDE is still receiving huge number of complaints regarding non-allocation of target under PMKVY. Para 14 (b) and (c) of the minutes issued by MSDE with respect to target allocation under PMKVY stated as:

"b.) Centres that were inspected before the above mentioned agreement/declaration was put up on SMART but were or still are pending accreditation and affiliation from SSCs will be considered for target allocation for one cycle subjected to accreditation and affiliation from SSC with rating of 4 or 5 star.

c.) All other centres that were accredited and affiliated with rating of 4 or 5 star before the above mentioned agreement/declaration was put up on SMART are to be considered for target allocation for one cycle."

2. In view of the above said, NSDC is requested that the status of target allocation to all such centres meeting the criteria may kindly be provided to this office at the earliest. It is also requested to maintain utmost transparency in target allocation by providing information in the public domain and through effective communication to all stakeholders.
3. This issues with the approval of competent authority.
