

Important Notice regarding Assessments

Dear Assessment Agencies/Training Partners/SSCs,

Please note with effect from **1st October 2015** it is mandatory for assessor's to carry original AADHAR ID to Training Center on the date of assessment. Training Center SPOCs shall ensure that they shall check the AADHAR ID of an assessor before assessments.

We have created a field for AADHAR Number update on SDMS for every new assessor profile. For existing assessors, we would soon be releasing the functionality to upload the AADHAR Number on SDMS. Please note that no assessments would be considered valid if AADHAR Number of the assessor conducting assessment is not updated in SDMS before the assessment date.
