

Notice

Aadhaar IDs are not available in multiple states in the North East. To foster the PMKVY scheme assessments, the following alternative Identity Proofs are applicable for the North Eastern States:

State	Acceptable Identity Proof
Sikkim	States with almost complete Aadhaar coverage, No Variations from the Process permitted
Tripura	
Nagaland	Any two of the following identity proofs: 1. Aadhaar Card of the candidate 2. NPR Card of the candidate 3. Voter ID Card of the candidate 4. PAN Card of the candidate 5. Jan Dhan Yojana Passbook of the candidate 6. State Permanent Resident Certificate issued by the SDM/DC office
Manipur	
Mizoram	
Arunachal Pradesh	
Assam	
Meghalaya	

PMKVY PMU team may add/delete the applicable Identity proof for the North Eastern states, based on the physical progress of issuance of Aadhaar/NPR cards, and would intimate the Assessment Agencies well in advance. The above procedure would be valid for all assessors in these states till such time.

Note: Out of two identity proofs, voter card or PAN card or Aadhaar number (if available) is preferred over others.
