

Process to be followed for Procuring Trainee Handbooks

NSDC has empaneled four publishers who will be responsible for supplying trainee handbooks for the PMKVY candidates under the assigned sectors. Please refer **Annexure- A** for the list of sectors assigned to the different publishers. Training Providers (TPs) need to place an order for Trainee handbooks for listed Job roles with respective publisher only.

You can check **Annexure B** for the list of ready to publish job roles.

For other job roles, SSCs are in the process of getting their contents shared and plagiarism checks with respective publishers and post that publishers will start the printing work. **Annexure B** will be updated on regular basis as soon as books are ready with Publishers. You are requested to check this site for updates on the ready to print job roles.

Currently, handbooks will be available in either English or Hindi language. We are also working on developing the content in other regional languages and same will communicated to you shortly.

TPs need to ensure that all enrolled trainee should get trainee handbooks.

Please follow below-mentioned Points for ordering Trainee Handbooks:

1. TPs need to place the order by filling the details in the **work order format only** (As per **Annexure C**). Work order should be raised separately for each center.
2. Training Provider can place the order for all its centers by providing an annexure of center list (with TC ID, TC Address on SDMS and other relevant details) with quantity ordered (job role wise) along with work order.
3. TPs need to sign and seal the filled work order after getting a printout, scan it and then email to respective publishers (Check **Annexure A** for email ID).
4. After mailing work order, TPs will be contacted by respective publisher with the details of charges/amounts that they need to pay for this work order. **Price/Rate per page is INR 0.49 which is inclusive of all applicable taxes, trainee hand-book cover print cost, logistics or distribution of the final printed book.**
5. TPs need to do the advance payment to publishers' bank account (Check **Annexure A** for Account Details) as per the invoice shared by publisher against work order. Only after that Publisher will deliver books to their training center.
