

Process to be followed to Procure Trainee Handbooks

PMKVY (CSCM Component) – Short Term Training

NSDC has empaneled four publishers who will be responsible for supplying trainee handbooks to the PMKVY candidates at Training Centers, under the assigned sectors. Please refer to **Annexure A** for the list of sectors assigned to the publishers. Training Providers (TPs) must place an order for trainee handbooks for listed job roles with respective publisher only – these have been mapped on the Knowledge Initiation & Trainee Handbook (KITS) Portal to ensure that the TP/TC SPOC places orders for job roles only with the respective publishers.

The KITS Portal and User Manual for TPs to access the portal may be found at the URL:

http://pmkvykits.nsdcindia.org/training_partner/static/#/login

Annexure B contains the list of ready-to-publish job roles.

For other job roles, SSCs are in the process of sharing content and conducting plagiarism checks with respective publishers. Post that, publishers will start the printing work. **Annexure B** will be updated on a regular basis as and when books are ready with publishers. You are requested to check this document on the PMKVY website for updates on the ready-to-publish job roles.

Currently, trainee handbooks will be available in either English or Hindi language. We are also working on developing content in other regional languages and information regarding the same will be communicated to you shortly.

TPs must ensure that all enrolled trainees get trainee handbooks for the job role they are enrolled under.

Process for Ordering Trainee Handbooks on PMKVY KITS Portal:

1. TPs must place the order for trainee handbooks by filling the required details (including quantity to be ordered) under the “Order Placement” option of the KITS Portal. Orders must be raised separately for each TC; however, for the same TC – the TP may order handbooks for multiple job roles from different publishers at the same time, as outlined in the User Manual for TPs.
2. For trainee handbooks, target allotted (visible on the KITS Portal) is for one job role at a Training Centre
3. Please note the following whilst placing orders for trainee handbooks:
 - (i) The TP SPOC can place orders only for those TCs where target has been allocated in FY 18-19 and the same has been approved over SDMS.
 - (ii) Further, the following condition holds when TP orders the 1st lot:

Target	1st Order Eligibility
0-90	90
90-180	90
>180	50% of total target

- 1st Order Eligibility:

If the target is between 0-90, the TP may order handbooks for the total target.

If the target is between 90-180, the TP may order handbooks for maximum 90 targets.

If the target is more than 180, the TP may order handbooks for maximum 50% of total targets.

The subsequent order can **only** be placed if 75% of the previous order has been assigned to candidates at the TC. If less than 75% of the previous order has been assigned to candidates by the TC, the system will not allow for a new order to be placed.

The next order for trainee handbooks is to be placed depending on the remaining target allocated to the TC, and enrollment; whichever is lower.

However, TPs should procure the number of trainee handbooks from the publisher as per their quarterly demand OR as instructed by NSDC. TPs may also place an additional order for at least 1 future batch for each job role.

4. TPs have the option of updating the quantity of handbooks ordered on the KITS Portal. Further, all details pertaining to the trainee handbooks such as rate per page, shipping costs – are available on the Portal as well. Once the publisher has accepted the order, TPs are required to make payments offline against the handbooks ordered (all payment details of publishers are given on the KITS Portal), as outlined in the User Manual for TPs.
5. **Training Partners are required to make payments to the publisher for the trainee handbooks from their own fund.** Payments are to be made offline in the publisher's bank account (details given in **Annexure A** and **on the KITS Portal**), and the payment receipts are to be uploaded on the PMKVY Kits Portal.
These payments will be reimbursed by NSDC, after submission of complete supporting documents along with invoices in hard copies at NSDC office, as outlined in **Annexure D**.
6. Once payments have been made and payment documents have been verified by the publisher on the KITS Portal, the order for trainee handbooks will be dispatched.
7. On receipt of the order, TPs must select the "Mark Delivered" option on the KITS Portal, to confirm that the order has reached them. They must also fill in the "Self-Declaration Form" and attach soft copies of the courier receipt and a self-invoice on the Portal itself for verification. Here, the TP may also raise a query in case there are any problems with the product delivered.

Note: In case the PMKVY KITS Portal is not functioning due to technical reasons and NSDC reaches out to you with intimation regarding the same – please follow the offline process for ordering trainee handbooks, which is as follows:

- i. TPs will have to place the offline order by filling the work order form (given in **Annexure C**). Work order should be raised separately for each center.
- ii. Orders can be placed for all TP's centers by providing an annexure of center list (with TC ID on SMART, TC ID on SDMS, TC Address on SDMS/SMART and other relevant details) with quantity ordered (job role wise) along with work order.
- iii. TPs need to sign and seal the filled work order after getting a printout then, scan the filled work order and email it to respective publishers (**Annexure A** contains publisher's email IDs).
- iv. After emailing the work order, TPs will be contacted by respective publishers with the details of charges/amounts that they need to pay for this work order. **Price/Rate per page is INR 0.5145**

(w.e.f. 8th April 2019) which is inclusive of all applicable taxes, trainee hand-book cover print cost, logistics/distribution of the final printed book for all sectors, excluding Hydrocarbon and IT-ITeS SSC. Price per page for these 2 sectors is INR 0.49 until further notice.

- v. TPs must make advance payments to the publishers (**Annexure A** contains publisher’s account details) as per the invoice shared by publisher against work order. Once payment has been made, the publisher will deliver the trainee handbooks to the training center.
- vi. TPs also need to share the training center address with **correct pin code**, with the publisher – for the delivery of trainee handbooks. TPs must ensure that delivery address of TC should match the address provided on SDMS/SMART. In case of non-delivery due to wrong address, TPs will bear the logistical cost incurred by publishers.
- vii. For disbursement and other important guidelines related to trainee handbooks, please refer to **Annexure D**.

Note on Non-Compliance

If it is observed that the TP has **not placed order (or placed order in less quantity i.e. not equivalent to the enrollment) of trainee handbooks** with Publisher for the job role where enrollment has started against the target allocated for FY 18-19, **strict action will be initiated by NSDC**.

There will be a review on the compliance of TCs on **weekly basis** and following action will be taken in case of non-compliance by Training Providers without giving any intimation:

S. No.	Compliance Standard*	Penalty
1	Action on TC where Non-Compliance > 10% (Non-compliance % at TC level = No. of non-compliant Job roles/Total No. of Job roles at TC)	1 st Step: Fund disbursement put on hold for non-compliant TCs 2 nd Step: Fund disbursement as well as Future Batch Creation put on hold

*Non-compliant Job role are those wherein **less copies are being procured by TPs for a particular job role** at a Training Centre – TPs must purchase handbooks as per the enrolment of candidates in that job role.

Also, below mentioned points will be considered while deciding compliance of TCs:

- i. **Some handbooks may not be available with publishers**– In such situations, TPs **will not** be held accountable for non-procurement.
- ii. **Non-availability of books in regional languages**– Irrespective of whichever language is available with NSDCs empanelled publishers, TPs are mandated to purchase the handbook and distribute it amongst the PMKVY trainees. In this case, TPs **will** be held accountable for non-procurement.

Annexure D

TPs are requested to purchase trainee handbooks from their own fund and submit supporting documents complete in all respect at NSDC. NSDC will reimburse Training Partners for the same.

*In case where advance has been already given to TP, same will be adjusted against the reimbursement for trainee handbooks by NSDC. Further as communicated by NSDC, any unadjusted/unutilized advances to be refund back by TPs to NSDC as per NSDC recovery request.

Important Points to be noted by Training Partners:

- a) TPs will procure the number of booklets/induction kits from the publisher/vendor as per the enrolment and their quarterly demand. Also, TPs can place an additional order for at least 1 future batch for each job role.
- b) Considering the time of placing the order and logistics, TPs to ensure planning and order placement should be done in advance to ensure handbook gets distributed along with induction kit.
- c) NSDC will get the data from the respective publishers/vendors/PMKVY Kits Portal to cross verify the number of booklets/induction kits delivered to the TPs.
- d) TPs must ensure that all booklets should be given to the enrolled candidates during induction. **A register to be maintained with signature of the candidate confirming the receipt of the Trainee Handbook and the Induction kit.**
- e) NSDC has the right to verify with the candidates about the delivery of booklets/induction kits.
- f) At any point of time, if any information given by the TPs found to be forged or manipulated, the TP is liable to be penalized, including but not limited to suspension or blacklisting from the PMKVY scheme.

Below process must be followed by TPs after Procurement of Trainee Handbooks for Reimbursement:

TPs must send an email with subject line “Supporting Documents against Purchase of trainee handbooks by _____ (TP Name)” along with soft copies of all documents to support.handbook@nsdcindia.org; pmkvyhandbooks@nsdcindia.org with a copy marked to PMUPMKVY2@nsdcindia.org

TPs must courier hard copies of below mentioned documents (**all documents should be self-attested by competent authorities of the TP/TC**) to NSDC office address with super scribed “Supporting Documents against Purchase of Trainee handbook under PMKVY (2016-2020) for _____ (name of TP)” over the envelope.
