

Dear Training Partners,

It has come to our attention that many have been promoting PMKVY as a FREE training scheme. This is wrong and is a clear violation of our guidelines.

The scheme is **NOT Free**. Debiting the training fee after the candidate receives the reward does not make the training free!

The following animation video has been designed for interested candidates informing them about the PMKVY Process.

I strongly recommend that you yourself as a Training Partner, watch this video carefully so that you are also in line with how the scheme is to be communicated.

The Hindi version of the video has been released and you can view it from following link <https://www.youtube.com/watch?v=JAwYeipbfHE>

The video is currently being translated into 15 languages. The links will be shared with you shortly with further instructions.

This is a warning, not to be taken lightly. As per the consequence management process, any deviation from the guidelines will result in action against the Training Partner.
