Performance Criteria	As described in the relevant OS units

**Definitions**

Keywords /Terms	Description
<b>e-Waste</b>	'e-waste' means waste electrical and electronic equipment, whole or in part included in, but not confined to equipment listed in schedule-I and scraps or rejects from their manufacturing process, which is intended to be discarded.
<b>Hazardous waste</b>	<b>Hazardous waste</b> is <b>waste</b> that is dangerous or potentially harmful to our health or the environment. <b>Hazardous wastes</b> can be liquids, solids, gases, or sludges. They can be discarded commercial products, like cleaning fluids or pesticides, or the by-products of manufacturing processes.
<b>Degradable waste</b>	<b>Degradable waste</b> is a type of <b>waste</b> which can be broken down, in a reasonable amount of time, into its base compounds by micro-organisms and other living things, regardless of what those compounds may be.
<b>Dismantling</b>	To disassemble the old electrical and electronic products into components.
<b>CMOS Battery</b>	Complimentary Metal- Oxide Semi-conductor battery, Typically the Type CR2032 is a button cell battery.
<b>NOS (National Occupational Standards)</b>	NOS are Occupational Standards which apply uniquely in the Indian context
<b>Occupation</b>	Occupation is a set of job roles under which role-holders perform similar/related set of functions in an industry
<b>OS (Occupational Standards)</b>	OS specify the standards of performance an individual must Achieve when carrying out a function in the workplace, together with the knowledge and understanding they need to meet that standard consistently. Occupational Standards are applicable both in the Indian and global contexts
<b>Performance Criteria</b>	Performance Criteria are statements that together specify the standard of performance required when carrying out a task
<b>QP (Qualifications Pack)</b>	Qualifications Pack comprises the set of OS, together with the Educational, training and other criteria required to perform a job role. A Qualifications Pack is assigned a unique qualification pack code
<b>Qualifications Pack Code</b>	Qualifications Pack Code is a unique reference code that identifies a qualifications pack.
<b>Scope</b>	Scope is a set of statements specifying the range of variables that an individual may have to deal with, in carrying out the function which has a critical impact on the quality of performance required

**PERFORMANCE CRITERIA**

**Job Role** : e-waste collector  
**Qualification Pack** **TEL/Q2400**  
**Sector Skill Council** : Telecom

1. Criteria for assessment for each Qualification Pack will be created by the Sector Skill Council. Each Performance Criteria (PC) will be assigned marks proportional to its importance in NOS. SSC will also lay down proportion of marks for Theory and Skills Practical for each PC.
2. The assessment for the theory part will be based on knowledge bank of questions created by the SSC.
3. Individual assessment agencies will create unique question papers for theory and skill practical part for each candidate at each examination/training center.
4. To pass the Qualification Pack, every trainee should score a minimum of 40% in every NOS and Overall 50% pass percentage.
6. In case of successfully passing only certain number of NOS's, the trainee is eligible to take subsequent assessment on the balance NOS's to pass the Qualification Pack.
