

Customised Crash Course Program for COVID Warriors: Advisory for On Job Training (OJT)

The Customised Crash course for COVID warriors program's training duration is of approximately 21-days of theory-based classroom training followed by approximately 90 days On-the-Job Training (OJT) in healthcare facility such as Primary Health Centres, hospitals, diagnostic facility, sample collection centre, etc.

This is an advisory designed to guide the participation TP/TCs through the OJT process. Kindly note user manuals for SIP system and Monitoring app will be shared separately.

- OJT Location

- On Job Trainings (OJT) shall be arranged at Govt./Pvt. Hospitals/ healthcare centres under the arrangement of DSCs, District Health Officers, SSDMs and Training provider (TP)/ Project Implementing Agency (PIA) through collaborative efforts.

- OJT Batch creation on SIP

- After first assessment results upload and approval by SSC, TC will be able to create an OJT batch of candidates.
- Only candidates who secure $\geq 50\%$ of marks in the first Assessment will be made available to TC for forming an OJT batch

- Monitoring & supervision of training quality and OJT

- A logbook (log-book format approved by SSC is available on NSDC website) for each candidate shall be maintained on daily basis at OJT location and countersigned by supervisor during OJT.
- It will be the responsibility of Training Provider / Centre to maintain the record of attendance and logbook, and upload on the Self-assessment app.
- Attendance – daily attendance of candidates will be recorded by TC using the Self-assessment app by clicking each candidate's photograph in the app. Detail instructions will be provided in the app and user manual.
- OJT logbook will have to be uploaded by TC, daily (end of the day) on the self-assessment app.

- Payouts

- Candidates having 70% and above attendance in a week during OJT will be eligible for weekly stipend @ Rs 125 per day
- Weekly checks of daily logbook maintained by TP/TC before stipend money is released.
- Weekly payment of stipend (OJT payout) shall be made to candidates directly through Direct-Benefit-Transfer (DBT) process

- 2nd Assessment

- Overall, 70% attendance during OJT qualifies a candidate for appearing in 2nd assessment
- OJT would be followed by the 2nd assessment and certification of trainee for the crash course
