

NOTICE

On Operations of Pradhan Mantri Kaushal Kendra (PMKKs)

This is to notify all stakeholders that with effect from 24th May 2018, PMKKs shall also be allowed to operate any other Central Government /State Government/ and/or other skill development program along with skill training programs under the purview of Ministry of Skill Development & Entrepreneurship (MSDE), including Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Corporate Social Responsibility (CSR) projects, Recognition of Prior Learning (RPL) programs and other Fee-Based Programs, subject to the following:

- The capacity left unutilized after providing for targets allocated to the PMKK under PMKVY program shall be used to run other skill development programs / training.
- Branding requirements of PMKK centre shall continue to be observed as per existing guidelines.
- Training centre (s) to inform National Skill Development Corporation's (NSDC) PMKK team about the skill development program that shall be operated in the PMKK, other than the PMKVY scheme in the un-utilized area of the PMKK centre. Additionally, the Training Centre(s) must keep a record of all such candidates enrolled/ assessed/ certified, which must be furnished to NSDC team as and when required.

Please note that this decision has been made in support of the long-term vision for PMKKs i.e., to transform PMKKs into industry driven self-sustainable centres that act as Convergence Providers for skilling activities in every district.

All other terms and conditions mentioned under the PMKK guidelines remain unchanged and the revised clause (as above) shall be applicable from the date of notification i.e. from May 24th, 2018.
