Advisory for Online Training under PMKVY2.0

Training Providers are directed not to start “Online Training” for any batch under Pradhan Mantri Kaushal Vikas Yojana (PMKVY 2016-20) without getting concurrence from National Skill Development Corporation (NSDC). Online trainings cannot be taken as a substitute for physical training unless authorized by the Ministry of Skill Development and Entrepreneurship.

Each Training Partner needs to submit a detailed request confirming their readiness for Online Training - Training Centre wise/ course-wise, having 100 % National Skill Qualification Framework (NSQF) compliant digital course content and compliant to other monitoring parameters and guidelines.

The request may kindly be sent in the attached format with details on email ID: PMUPMKVY2.0@nsdcindia.org with subject line “**TC Wise – Course Wise readiness for Online Training - <<insert TP name and TP Id>>**”.

Annexure: TC wise readiness details for online training assessment
